rings, of Mt. Washington, was on hand early with his horses. Mr. Jennings is driving the famous old racer Malabar to his buggy, and a better buggy-horse could not be found. J. B. Brady, of the Jennings string, worked three-quarters in 1:19 very handily. This one will do to watch; he is one of the best horses at the track. Cave Adsum has cutively rounded to and acts like him.

Harry Rites let Tim Pippin step five-eighths in 1:03, a rattling performance. Miss Catesby of the Rites string, breezed three-eighths in 0:33. This one

Col. Bob Neville is due from Leesburg today. He has a formidable list of jumpers, and as the colonel knows all about this end of the game they may be counted on to be fit and ready. In the Neville stable are Herculoid, Sir Wooster, Garterman, The Welkin, Ballacalla, Harpist II, and a two-year-old. Dayldson will ride.

Gwyn Tompkins is expected next week. He will bring up from his Warrenton farm Jimmy Lane, Kentucky Beau, Loudoun Light, St. Nick, Tyro, Kuroki, Cabochon, Tampico, Selectus, Sunglow, and four two-year-olds.

Ernest Utterback will come up this week from Manassas with two jumpers, and Edwin H., D'Arkle, Peter Knight, and Incognito.

Tom Welch has written Secretary Riggs that he will bring down McCarter, The Squire, Wise Mason, Royal Captive, Glucose, Waponoca, Mary Lynch, Hammerless, Popover, and Lord Baltimore.

All of the captain's two-year-olds were on the track and were very favorably commented on by the horsemen. Pimlico, the Star Ruby colt, is a grand looker and canchances of receiving expert treatment for his ailments in Boston are about as good as those of a sensible bill in the Kansas Legislature, and if Washington wants him real badly it will probably have a chance to buy him from Taylor at cut rates before the season is half
